

2019 WYAM Discover Washougal Art Photography Challenge

Sponsored by Washougal Arts and Cultural Alliance

Photographs tell a compelling story and so does public art... As a part of Washougal Youth Arts Month, WACA is inviting Washougal students grades K-12 to grab their smartphone or digital camera and share through photography the beautiful public art in the City of Washougal. Find a unique angle, use interesting lighting, include family or friends... have fun and be creative!

This project is a part of Washougal Youth Arts Month in March and student images will be showcased online for the community to see and enjoy. Find a list of all public art and locations on the WACA website <http://washougalarts.org/local-art/>. To celebrate and showcase our young photographers, photos will be posted on WACA's website and Facebook page. Parental approval is required.
