

Dear Community Member and Arts Supporter,

As an active member of our community, you understand how a robust public art program has the power to transform and enrich an area. Therefore, we invite you to participate in Washougal Arts & Culture Alliance's membership program. Its goal is to inform and engage people like you who want to play a role in bringing more public art to Washougal.

Your tax-deductible gift of membership will directly support the ongoing work of WACA. Recent projects that have been funded with the help of our members include Migration, a stainless-steel flying geese installation on City Hall, crafted by a Washougal High School student and designed by Suzanne Grover. Another recent project was the mural honoring local founder Princess White Wing, created by renowned Native American artist, Toma Villa.

March 2020, WACA unveiled the city's newest public art acquisition, Dreaming, a bear sculpture on the corner of A street and Pendleton way. The ceremony was followed by a hosted membership event at Two Rivers Grill, and then members had an opportunity to view our Student Art Gallery, a joint effort with Washougal art teachers as part of our annual Youth Arts Month.

In addition to commissioning public art, WACA created and updates the Discover Washougal Art Map, which provides locations and details of all public art to be seen and enjoyed in our city. The second Saturday of each August WACA hosts the Washougal Art Festival in Reflection Plaza, providing spaces for local artists to sell and promote their work.

We also sponsor a Living Room Concert series, inviting top regional musical talent into Washougal homes for an intimate concert experience.

Learn more about us on our website at www.washougalarts.org and follow us on Facebook. WACA is a completely volunteer run and a 501c3 charitable organization. As a member, you will directly contribute to the work, the mission, and the future of public art and cultural enrichment in Washougal. Thank you for your support.

Sincerely,
WACA Board Members
